

REMARKS

Original claims 1-17 have been canceled, the cancellation of any claim intended to be without prejudice to applicants' right to again present claims having a similar scope in this or a continuing application; applicants are not abandoning any of the canceled subject matter.

New claims 18-37 are believed to simplify the claims for examination, thereby facilitating the examination process.

If there are any questions or issues relating to this amendment, please contact the undersigned.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Robert A. Franks". The signature is fluid and cursive, with the first name "Robert" being the most prominent part.
